

Joint Norwegian Russian Celebration of Mikhail Lomonosov and Fridtjof Nansen

# FROM LOMONOSOV TO NANSEN – AND BEYOND

## ENERGY AND TRANSPORT CHALLENGES IN THE HIGH NORTH

Arkhangelsk, Russia, Wednesday 9 November – Saturday 12 November 2011

The 1<sup>st</sup> joint celebration of Lomonosov and Nansen was organised during Arctic Frontiers 2011.

We are delighted to invite you to the 2<sup>nd</sup> Norwegian – Russian jubilee of Lomonosov and Nansen.

The 2<sup>nd</sup> jubilee events will take place in Arkhangelsk 9 – 12 November within the anniversary program of Mikhail Lomonosov. The events will focus on 'Norwegian - Russian challenges relating to energy and infrastructure'. Activities included:

- Seminar '**From Lomonosov to Nansen – and beyond**'
- Workshop for young researchers '**The Lomonosov – Nansen Heritage**'
- **Cultural performance** directed by the Northern Lights Festival
- **Official networking receptions**

**Invited guests are industry and business leaders, decision makers and government representatives, researchers and development facilitators working in the field of transport, logistics and energy.**

Organisers include:

- Arkhangelsk Regional Administration
- Russian Academy of Science
- The Lomonosov Foundation
- Northern Arctic Federal University
- University of the Arctic
- Troms County Government
- Norwegian Ministry of Foreign Affairs
- Norwegian Polar Institute
- Barents Secretariat
- University of Tromsø
- Arctic Frontiers

**Welcome to Arkhangelsk, Russia's gateway to the Arctic, for discussions and networking opportunities.**

For more information about the Lomonosov - Nansen events in Arkhangelsk, including how to register, travel documents and accommodation, please contact representatives of the joint committee.
